

Your Bylaws Committee invites you to a Town Hall meeting on **Wednesday, June 27 at 7PM** to review initial drafts of **proposed Bylaws Amendments**.

We will start with a brief "Robert's Rules 101" about the rules governing amendments to any Bylaws documents. Copies of initial drafts will be available and will include current language, proposed language, rationale and what will occur if the amendment is passed. We will review the steps in the amendment process leading up to the Annual Meeting in November.

Many of the amendments are simply corrections to grammar, punctuation and terminology. Even changes as simple as this require a membership vote with a two-thirds majority. A few of the proposed amendments are to correct legal language. There will also be some proposals for changes in content.

So please join us. We want to hear your questions and comments.
